The Environmental Humanities Minor focuses on how humanities disciplines and the arts can contribute to understandings of environmental change; environmental ethics and politics; environmental justice; climate justice; and equitable, sustainable futures.

Courses used to fulfill the minor requirements must be taken for a letter grade and passed with a grade of C- or better.

### **Bracketed Codes/University Requirements:**

>1 Arts & Letters

>2 Social Science

>3 Science

>4 Either Science or B.S. Math

>5 B.S. Math

### **Please Note:**

- Be alert to prerequisites listed in the class schedule and UO catalog.
- Tip Sheets are to be used as a guide only. Changes may be made to the class schedule after the Tip Sheets have been published.
- Any class on the Tip Sheet or requirements sheet is guaranteed to count toward the major in the Area under which it is listed for that term.
- You can look up individual CRNs in the class schedule to learn about prerequisites, fees, field trips, registration restrictions, and other important information.
