

## REQUIREMENTS FOR THE ENVIRONMENTAL STUDIES MINOR

- The interdisciplinary minor in the Environmental Studies (ENVS) includes three lower-division required courses and five upper-division required courses, **for a total of 32 credits.**
- **Letter grades of C- or better** must be earned in all courses applied to the minor.
- At least 16 of the 32 credits must be taken at the University of Oregon.
- Students can count up to two upper division courses from their major department.
- Students may submit a petition to the undergraduate adviser to substitute an upper division ENVS course for one of the lower division requirements.

The requirements for the minor in Environmental Studies can be divided into the following areas:

### **LOWER DIVISION REQUIREMENTS (12 Credits)**

**Core Sequence:** ENVS 201, 202, and 203

\_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_
