(Only required for INTL independent study not being supervised by an INTL Faculty Core member)

STUDENT SIGNATURE: _____ DATE: _____

Individualized study courses are used to give credit to students preparing for and writing their theses, doing internships, and creating independent study opportunities. Students register for these classes with a faculty supervisor, and then need to be pre-authorized by the Undergraduate or Graduate Coordinator of OCIAS. After pre-authorization, the student will receive an email with instructions for registration in the course through DuckWeb. The following are a list of individualized courses.

OCIAS UNDERGRADUATE INDIVIDUALIZED STUDY OPTIONS

AFRICAN STUDIES PROGRAM

- AFR 196: Field Studies** (1-5 credits)
