Course for consideration

Complete this section for all courses, even if they were taken at another university or college. Other schools may have different course code formats--please enter the code as it was given at the school.

Course code & number (e.g. PS 354) _____ Course title _____

Instructor _____ Term and year taken _____

I have attached the course syllabus *WGS staff need the course syllabus to examine the content and determine the feminist/gender/queer content. Don't have the syllabus? Don't worry! You can almost always contact the professor for the course or the departmental office for a copy of the past syllabus. This is true at other universities, not just UO.*

I completed a project(s) with a WGS or queer focus (describe briefly in comment area below)

Non-UO courses (complete if course was taken at another university/college)
